(p) NOTICE TO A FOREIGN CREDITOR.

(1) If, at the request of a party in interest or the United States trustee, or on its own initiative, the court finds that a notice mailed within the time prescribed by these rules would not be sufficient to give a creditor with a foreign address to which notices under these rules are mailed reasonable notice under the circumstances, the court may order that the notice be supplemented with notice by other means or that the time prescribed for the notice by mail be enlarged.

(2) Unless the court for cause orders otherwise, a creditor with a foreign address to which notices under this rule are mailed shall be given at least 30 days' notice of the time fixed for filing a proof of claim under Rule 3002(c) or Rule 3003(c).

(q) NOTICE OF PETITION FOR RECOGNITION OF FOREIGN PROCEEDING AND OF COURT'S INTENTION TO COMMUNICATE WITH FOREIGN COURTS AND FOREIGN REPRESENTATIVES.

(1) *Notice of Petition for Recognition.* The clerk, or some other person as the court may direct, shall forthwith give the debtor, all administrators in foreign proceedings of the debtor, all entities against whom provisional relief is being sought under § 1519 of the Code, all parties to any litigation in which the debtor is a party and that is pending in the United States at the time of the filing of the petition, and such other entities as the court may direct, at least 20 days' notice by mail of the hearing on the petition for recognition of a foreign proceeding. The notice shall

state whether the petition seeks recognition as a foreign main proceeding or foreign nonmain proceeding.

(2) *Notice of Court's Intention to Communicate with Foreign Courts and Foreign Representatives.* The clerk, or some other person as the court may direct, shall give the debtor, all administrators in foreign proceedings of the debtor, all entities against whom provisional relief is being sought under § 1519 of the Code, all parties to any litigation in which the debtor is a party and that is pending in the United States at the time of the filing of the petition, and such other entities as the court may direct, notice by mail of the court's intention to communicate with a foreign court or foreign representative as prescribed by Rule 5012.

Rule 2002 COMMITTEE NOTE

Subdivision (b) is amended to provide for 25 days' notice of the time for the court to make a final determination whether the plan in a small business case can serve as a disclosure statement. Conditional approval of a disclosure statement in a small business case is governed by Rule 3017.1 and does not require 25 days' notice. The court may consider this matter in a hearing combined with the confirmation hearing in a small business case.

Subdivision (c)(1) is amended to require that a trustee leasing or selling personally identifiable information under § 363(b)(1)(A) or (B) of the Code, as amended in 2005, include in the notice of the lease or sale transaction a statement as to whether the lease or sale is consistent with a policy prohibiting the transfer of the information.

Section 1514(d) of the Code, added in 2005, requires that such additional time as is reasonable under the circumstances be given to creditors with foreign addresses with respect to notices and the filing of a proof of claim. Thus, subdivision (p)(1) is added to the rule to give the court flexibility to direct that notice by other means shall supplement notice by mail, or to enlarge the notice period, for creditors with foreign addresses. If cause exists, such as likely delays in the delivery of mailed notices in particular locations, the court may order that notice also be given by email, facsimile, or private courier. Alternatively, the court may enlarge the notice period for a creditor with a foreign address. It is expected that in most situations involving foreign creditors, fairness will not require any additional notice or extension of the notice period. This rule recognizes that the court has discretion to establish procedures to determine, on its own initiative, whether relief under subdivision (p) is appropriate, but that the court is not required to establish such procedures and may decide to act only on request of a party in interest.

Subdivisions (f)(9) and (10) are new. They reflect the 2005 amendments to §§ 342(d) and 704(b) of the Bankruptcy Code. Section 342(d) requires the clerk to give notice to creditors shortly after the commencement of the case as to whether a presumption of abuse exists. Subdivision (f)(9) adds this notice to the list of notices that the clerk must give. Subdivision (f)(10) implements the amendment to § 704(b) which requires the court to provide a copy to all creditors of a statement by the United States trustee or bankruptcy administrator as to whether the debtor's case would be presumed to be an abuse under § 707(b) not later than five days after receiving it.

Subdivision (f)(11) is new. The rule is amended to provide notice to creditors of the debtor's filing of a statement in a chapter 11, 12, or 13 case that there is no reasonable cause to believe that § 522(q) applies in the case. If a creditor disputes that assertion, the creditor can request a delay of the entry of the discharge in the case.

Subdivision (g)(2) is amended because the 2005 amendments to § 342(f) of the Code permit creditors in chapter 7 and 13 individual debtor cases to file a notice with any bankruptcy court of the address to which the creditor wishes all notices to be sent. This provision does not apply in cases of nonindividuals in chapter 7 and in cases under chapters 11 and 12, so Rule 2002(g)(2) still operates in those circumstances. It also continues to apply in cases under chapters 7 and 13 if the creditor has not filed a notice under § 342(f). The amendment to Rule 2002(g)(2) therefore only limits that subdivision when a creditor files a notice under § 342(f).

Subdivision (p)(2) is added to the rule to grant creditors with a foreign address to which notices are mailed at least 30 days' notice of the time within which to file proofs of claims if notice is mailed to the foreign address, unless the court orders otherwise. If cause exists, such as likely delays in the delivery of notices in particular locations, the court may extend the notice period for creditors with foreign addresses. The court may also shorten the additional notice time if circumstances so warrant. For example, if the court in a chapter 11 case determines that supplementing the notice to a foreign creditor with notice by electronic means, such as email or facsimile, would give the creditor reasonable notice, the court may order that the creditor be given only 20 days' notice in accordance with Rule 2002(a)(7).

Subdivision (q) is added to require that notice of the hearing on the petition for recognition of a foreign proceeding be given to the debtor, all administrators in foreign proceedings of the debtor, entities against whom provisional relief is sought, and entities with whom the debtor is engaged in litigation at the time of the commencement of the case. There is no need at this stage of the proceedings to provide notice to all creditors. If the foreign representative should take action to commence a case under another chapter of the Code, the rules governing those proceedings will operate to provide that notice is given to all creditors.

The rule also requires notice of the court's intention to communicate with a foreign court or foreign representative under Rule 5012.
